### Beers sampled

Brewery	Name of beer	ABV %	Tasting notes
Green Jack	Golden Best	4.6	Dry, light & summery or weak and watery. Divided opinion, but OK to start with
Beccles Brew Co	Beautiful Sky PA	4.2	Light with some hop flavour
Grain	Redwood	4.7	“Rich – Sweet- Zesty” on pump clip. Fruity. Not as malty as expected from the colour
Mr Winter’s	Rorschech Stout	4.5	Toast and nutty flavours. Not sweet or heavy.

### The pub

Community-owned pub (some group members are shareholders). Now has a paid manager/cook. Bar staff are mostly volunteers (including committee members). Friendly and helpful service. Good tasty smallish dishes of food for just £7.95 each. Usually have 3 or 4 cask-conditioned beers available. Can be served in 4-pint jugs.
