

Halesworth Beer Festival, Rifle Hall, 1st November 2024

Nineteen members of the group were at the opening of the Halesworth Winter Beer Festival. There was a selection of 20 cask-conditioned beers (see below) as well as numerous keg craft beers and ciders, as well as a gin bar and a limited range of wines and soft drinks. It was organised by Tim Sutton, of the “YouDrink” tap room in Halesworth, with participation of several local breweries. It appeared to be a well organised and successful event. We hope there will be further similar festivals.
