Beers sampled

Brewery	Name of beer	ABV %	Tasting notes
Tindall	Hedgerow	4.3	Made with fresh wild green hops. Tasty, fresh and refreshing
Tindall	Red Sky American Red	4.8	"Rounded, smooth and strong." Malty, balanced with mild hops.
Greene King	Bloodhound	4.4	Described as Chocolate and Blood Orange Stout. Initial citrus flavour quickly followed by chocolate. Nice as a dessert beer after a meal, but probably wouldn't want to drink it all afternoon.

The pub

A waterside hotel with a terrace on the River Waveney. Good food in their large restaurant with good views beyond the river. Usually four cask ales on during the summer tourist season. Sometimes only two in winter.
