### Beers sampled

Brewery	Name of beer	ABV %	Tasting notes
Mr Winter	<b>G.S.B.</b> Golden Session Bitter	3.8	Pleasant tangy initial taste but not much lasting flavour. Refreshing beer enjoyed by many in the group
Humpty Dumpty	<b>Breydon Bitter</b>	4.1	Good balance between hops and slightly burnt flavoured malt. A favourite of some of the group, but too strong taste for others
Adnams	<b>Southwold Bitter</b>	3.7	Good standby session bitter

### The pub

A friendly welcoming pub that serves pizzas and pasta dishes made by the proprietor, who has a passion for provincial Italian cooking and ingredients, so they are not the standard quasi-Italian dishes. The pub is currently for sale. The group has visited several times before over the years and hope we might do so again before it changes hands.
