Beers sampled

Brewery	Name of beer	ABV %	Tasting notes
Green Jack	Nightingale Session Ale	4.0	A tasty easy drinking ale to start with.
Green Jack	Orange Wheat	6.0	Wheat beer made with oranges. Tasty, unusual, but wouldn't necessarily want to keep drinking it. "Beer, but not as we know it!" was one comment.
Ampersand and Adnams	No Submission Summer Ale	4.2	Pleasant, easy drinking summer ale
Moon Gazer The Norfolk Brewhouse	Good Old Hares Pint of Two's Mild & Bitter	3.4	Not very bitter, but a pleasant distinctive flavour. "Ginger Bread" was one description.
