Beers sampled

Brewery	Name of beer	ABV %	Tasting notes
Grain	3-1-6	3.9	"Pale – Crisp – Citrusy" is an accurate description. Pleasant. Prominent citrus hops but not much else
Timothy Taylor	Landlord	4.3	A nationally available light ale. Well balanced. Not strong taste but with a pleasant lasting hop aftertaste. It seemed rather overpowered after the strong citrus flavour of 3-1-6 but seemed more distinctive when coming back to it after the Grain, Oak.
Grain	Oak	3.8	A pleasant distinctive but not strong or long lasting taste.

The pub

Recently taken over by current proprietor, Max, who has undertaken extensive refurbishment. Welcoming interior and staff. Beer was served in our own jugs, which we took. Dogs welcome. Food limited to sandwiches, burgers and wraps etc, but well prepared and presented.

The Grain brewery is at nearby Alburgh and has a tap room that is open on Fridays and Saturdays.
